

Privacy Policy for LexiHub

Effective Date: 03.05.2025

LexiHub (“we”, “our”, or “us”) is committed to protecting your privacy. This Privacy Policy outlines how we handle information related to your use of the LexiHub mobile application.

1. No Personal Data Collected

We do **not** collect or store any personal data from users. You can use LexiHub without creating an account, submitting your email, or providing any personally identifiable information. The app is designed for educational purposes only. We are committed to maintaining your privacy.

2. Subscription Management

We use **RevenueCat**, a third-party service, to manage in-app purchases and subscriptions. LexiHub does not access your payment details — all transactions are processed securely by your app store (Google Play or Apple App Store).

RevenueCat only receives **anonymous purchase data** necessary to activate your subscription features. You can read their privacy policy here:

3. Analytics

LexiHub does **not** use analytics tools to track your behaviour or usage data.

4. Children’s Privacy

LexiHub is intended for general audiences and does not knowingly collect information from children under the age of 13.

5. Changes to This Policy

We may update this policy in the future. Updates will be posted within the app.
